Ref: **Online Transaction (Please tick where applicable)**

I will be visiting abroad and I need to use the card for online transactions. I have already activated my card and made the endorsement for the year.

I need to do online transactions related to academic fee payment, hotel booking. I am aware than in such cases transaction amount will not be more than US \$1000 annually which will be adjusted from my remaining unused Travel Quota.

I want to do online transaction against legitimate purchases of items of goods and services (Such as downloadable application software, e-books and magazine/newspaper subscription fees etc.) from reputed and reliable sources. I am aware than in such cases single transaction will not be more than US \$300.

Therefore, I request ONE Bank to enable the online transaction facility of my card with effect
