

Application Bundle for I-Banking for Corporate Customer

There are Two (02) Forms as under which a corporate customer needs to fill up-

- Form Part A : i-Banking Corporate Customer Registration Form
- Form Part B : i-Banking Corporate Customer User Registration Form

Form Part A	i-Banking Corporate Customer Registration Form	This is the Corporate Customer i-Banking Application Form for registration as Corporate Banking <u>i-Banking Customer</u> and each corporate customer will have to fill up one form for registration as I-BANKING CUSTOMER .
Form Part B	i-Banking Corporate Customer User Registration Form	This is the Corporate Customer User i-Banking Application Form for registration as Corporate Banking <u>i-Banking Customer User</u>. One corporate customer may need to fill-up one or more USER Registration Form for User Registration in I-BANKING for CORPORATE CUSTOMER depending on their number of Users. Here, the User will operate the i-Banking service on behalf of the Corporate Customer. • There is option for Maker User and Checker User for a Corporate Customer depending on customer's requirement. Corporate Customer can allocate any number of Users as Maker User and Checker User as per requirement. • There is option to maintain restriction for each Maker and Checker with Limit for SINGLE TRANSACTION AMOUNT in Corporate I-Banking Service. • There is option to maintain GLOBAL TRANSACTION LIMIT for All Corporate Banking Customers as well other than specific limit defined in user level for the specific maker / checker. • There is option to maintain restriction / limit (Min Amount and Max Amount) for each Maker and Checker for specific transactions also.
Note: 1. The corporate customers will have to submit supporting documents like - Board Resolution or other related documents as applicable when they are applying for i-Banking Service and on each time, they intend to make any i-Banking user level changes, so that Bank can verify after receiving the application. 2. The signatory of the Corporate Customer who operates the related accounts of the Corporate will have to sign the Application Forms (Part A and Part B) for i-Banking Service. 3. The Corporate Customers will have to submit supporting documents like – attested (by account signatory) copies of NID / Passport / Driving License along with a Passport Size Photo of all I-Banking Service Users of the Customer.
